Office Memorandum • UNITED STATES GOVERNMENT

TO : Director, Federal Bureau of Investigation

DATE: February 2, 1945

FROM : SAC, St. Paul

SUBJECT: ATTENTION: TRANSLATION SECTION

Under date of February 2, 1945 this office received one Presto steel-based record, cut on one side, by registered mail, Registry No. 497806. There was no letter of transmittal accompanying this record and upon playing same, it is apparent that it is a recording of a conversation between two individuals in a foreign language.

It is believed that this record was inadvertently sent to this office as this office has no record of having sent same to the Bureau for translation. The Bureau is therefore requested to advise what disposition should be made of this record.
